

Paluski Canoes

Adirondack 12'6" Square Stern

C2002

Built for Outdoor Recreation! The Square Stern has a flat hull with a single-shaped keel to ensure superb stability. The molded transom will hold up to a four-hp trolling motor, and it comes standard with three seats. Designed for rough treatment, the Square Stern is manufactured using Paluski's unique high-density foam core laminate to produce a stiff, non-warping hull.
